

# PATRON INVITATION

Integrity Homes Challenge Wanaka, now in its 15th year has grown to nearly 3,000 athletes. Over the past decade this event has brought international recognition to the town on the world stage and delivered over \$30 million of direct economic benefit into the community.

None of this would have been possible without the support and generosity of our partners and patrons. As a non-profit charitable trust, the event needs all the financial support it can get and 2021 is no different.

The legacy Integrity Homes Challenge Wanaka has created is already significant - with increased local participation of all ages, a thriving volunteer programme and millions in economic benefit. The Challenge Wanaka Sports Trust invites you to become a Patron of this inspirational event and play a part by not only keeping this valuable event in the region but also in allowing the Trust to deliver and build on Challenge Wanaka's legacy and success.

Thank you,  
**CHALLENGE WANAKA Sports Trust Chairman, Tom Pryde and the Trustees**

## MY SUPPORT

I would like to become a patron of the Challenge Wanaka Sports Trust

Total payment
